

Film Categories 2010

We give you the titles – you interpret them in your own way (but, we have made a few suggestions!)

Foundation	Nursery Rhymes Tell the story of a nursery rhyme or a nursery rhyme character (or two!) or tell a completely different story with some of these familiar characters.	The Best of Us Challenge From the International Olympic Committee! The brainwave for this category is taken from the website of the same name. The basic idea is to create a unique challenge video showcasing your particular talent from the ordinary to the extraordinary. Go to www.thebestofuschallenge.olympic.org for inspiration and ideas. Whether it's picking up the most tennis balls, doing cartwheels, lining up dominoes or twirling a hoola-hoop we want to see what it is that you do best. Create a challenge of your own and let other people compete against YOU. Make a film and send it in.
