

Belief Quiz

Consider the following questions to help you examine your own ideas about whether or not God exists. Read each one carefully. Always think of at least one reason for your choice.

Act.1

1. I think that there must be a God because there is order and design in the world.

True False Unsure

2. I believe that God listens to me if I pray to Him.

True False Unsure

3. I believe that humans cause the suffering in the world e.g. war, terrorism, violence.

True False Unsure

4. I find it very hard to believe there is a God when things like tsunamis and earthquakes happen.

True False Unsure

5. I believe that after people die their soul lives on either in heaven or on earth.

True False Unsure

6. I have experienced God in my own life.

True False Unsure

7. I believe that God knows everything, even before it happens.

True False Unsure

8. I believe that God created the universe and everything in it.

True False Unsure

9. I believe there must be a God because over half 70 % of the world believe He exists. How can so many people be wrong?

True False Unsure

Act.2

Choose 2-4 statements from the Quiz. Write your reason for your viewpoint in your exercise books. Example: I believe that God created the universe and everything in it because I read the Bible with my family and we believe that the Bible contains the truth.

Top Tip!

Always use Because to give an explanation.
Brilliant answers always give examples !

Mainly True= Theist	Mainly False = Atheist	Mainly Unsure= Agnostic
This means...	This means...	This means...
